## Helix International School Helix University College

Join us at Helix and be a part of our mission to create a better future through education.

Our educational environment is designed to equip students with the skills they need to succeed in a rapidly changing global society.

With our team of expert faculty and dedicated staff, we are committed to creating a supportive, nurturing, and inclusive learning experience that inspires our students to become responsible and empathetic global citizens.

## ABOUT US

These are times of unprecedented potential, where the world is more reachable than ever before. Yet, only those with prepared minds will be able to seize these opportunities and truly thrive. Are you giving your children with the best possible chance for success?

With Helix, you can be at ease knowing that you are. Our approach to education goes beyond simply teaching; we strive to inspire children to learn. With the belief that curiosity is the motivation behind success, our expert faculty and dedicated staff work together to provide a supportive, nurturing, and stimulating learning environment that encourages students to reach their highest potential.

At Helix, we recognize that all children have different styles of learning and that they just need to be engaged in a way that is tailored to their unique needs. Therefore, our school is modeled after the British education system and provides IGCSE education in a supportive, familial atmosphere that prioritizes individualized instruction.

At Helix, we are dedicated to helping students reach their potential and will be there to assist them every step of the way. Start your journey with HELIX!

# HELIX

**Official  
Approved  
Centre**

## WHY CHOOSE HELIX ?

Helix International School, an Edexcel Approved Centre (No. 94981), partners with Pearson, UK to offer students Edexcel IGCSE exams for academic excellence.

**Experienced  
Teachers**

At Helix are excellent teachers with experience in teaching the IGCSE curriculum, leading by example with punctuality and moral compass.

**One Stop  
Education**

Helix offers inclusive add-on guide sections led by expert instructors, eliminating the need for costly external tuition classes and enabling students to optimize their time for other pursuits.

**Extra-  
Curricular  
Activities**

Helix provides a holistic education with community-oriented teaching and diverse extra-curricular activities to prepare students for success in all aspects of life.

**Facilities,  
Safety &  
Location**

All the Helix campuses in Yangon provide amenities and prioritizes safety with security gates, offering parents peace of mind while upholding the highest educational standards.

**Quality  
Education  
for All**

Helix offers online courses in all academic programs, making international standard education accessible to students worldwide and eliminating the digital divide.

# ACTIVITIES & FACILITIES

At Helix International School, we are convinced that learning is much more than textbooks and lectures. We are devoted to creating an atmosphere of community and offering students the chance to take part in extracurricular activities that will expand their scholastic experience and prepare them to meet the ever-evolving world.

The extracurricular activities we offer at Helix will prepare students for success in all aspects of life. From debate and public speaking led by accomplished instructors to coding clubs, video project contests and excursions, we offer a broad range of activities to cater to every interest and passion. Our students also have the opportunity to participate in sports clubs such as soccer, badminton, table tennis, chess and art and music clubs as well as student council and magazine committee. Our library and laboratory resources are also available for students' use providing them with additional learning opportunities beyond the classroom.

At Helix, we are committed to providing a well-rounded education that prepares our Helixers for a prosperous future.

# OUR ACADEMIC PROGRAMS

At Helix, we are committed to providing an outstanding academic experience for students starting from Primary up to IGCSE diploma, following the British curriculum as well as the Canadian pre-university program known as OSSD.

Our academic programs are designed to offer a holistic approach to education, providing a supportive and stimulating learning environment that fosters intellectual curiosity, critical thinking, and a passion for lifelong learning.

Whether your child is just starting their educational journey or preparing for their future, our academic programs are tailored to meet their unique needs and help them succeed.
